

U.S. DEPARTMENT OF ENERGY

Southeast Clean Energy Application Center

Developing a Strategy for Clean Energy Conference: Deploying the Southeast Clean Energy Application Center

The Southeast Clean Energy Application Center invites you to participate in our kick-off conference *Developing a Strategy for Clean Energy*. We are seeking active involvement from clean energy stakeholders in the Southeast region to focus our activities on overcoming obstacles to CHP, Waste Heat Recovery, and District Energy deployment.

What:

Regional Conference to develop a strategy to increase Combined Heat and Power, Waste Heat Recovery, and District Energy Systems in the Southeast

When:

March 22-23, 2010

Where:

Orlando World Center Marriott Resort and Convention Center
Orlando, FL

Who:

State and local policymakers, State Energy Office staff, Utility representatives, Utility Commission staff, equipment manufacturers, energy project developers, Energy Managers of Industrial, Commercial, Institutional, and Government facilities

Registration:

Your registration includes meals during the conference.

If you would like to receive credit for Professional Development Hours (PDHs) for this conference, please register [here](#). **11.5 PDHs will be offered for attending this event.**

If you do not wish to receive PDHs, please register [here](#).

To view the agenda for this event, please visit www.chpcenterse.org. Any questions can be directed to Maureen Quinlan (mequinla@ncsu.edu, 919-515-7147).

The Southeast Clean Energy Application Center is co-located at Mississippi State University and North Carolina State University. It was established by the U.S. Department of Energy to promote Combined Heat and Power, District Energy, and Waste Heat Recovery in the Southeast.
